Newark, Ohio 43058-5030
ATTN: Sylvia Friel, Treasurer

MISSION: Our mission is threefold: (1) to provide professional development opportunities that will improve our members’ capacity to be of service to their councils and their communities; (2) to provide advice and advocacy to assist local and state decision makers in making and carrying out decisions regarding the well-being of children and families; and (3) to promote, within and outside our membership, a focus on accountability in FCF initiatives and in other efforts to improve child and family well-being.
